How to become a B3Living tenant

B3Living has more than 4300 homes throughout the Lea Valley corridor. To become one of our tenants you need to be on the housing register for the local council.

To join a housing register

You must:

- be more than 16 years old;
- have someone over 18 years old to act as guarantor, if you are under 18 years old yourself.

You must not:

- be subject to immigration control or not normally a resident in the UK
- be guilty of unacceptable behaviour serious enough to make your household unsuitable to be a tenant. This also applies to others in your household.
- be a housing association or council tenant already. If you are, you should join the transfer register instead.
- be in debt to any housing association or to the Council;
- have made yourself homeless on purpose;
- live in your own home, or have the money to buy your own home.
